

Check each of the following items presented at the meeting:

- ☒ Map depicting the location of the subject property proposed for development.
- ☒ A visual description of the project including a site plan, tentative subdivision plan and elevation drawings of any structures if applicable.
- ☒ A description of the nature of the use including but not limited to, sizes and heights of structures, proposed lot sizes, density, etc.
- ☒ The expected or anticipated impacts from the development.
- ☒ Any mitigation proposed by the applicant to alleviate the expected/anticipated impacts.
- ☒ An opportunity for the public to provide comments. Applicants are encouraged to reconcile as many public concerns as possible prior to submitting their application.

If any of the above items are not applicable to the proposal, please state why:

Concerns Stated at Meeting:

No concerns, but there were questions and comments related to drought tolerant plantings, solar, and an appreciation for the double car garages.

Asked whether there would be any affordable housing i
 developer informed us that this development would
 not include affordable units and will be luxury
 rentals with a high target market visitors to
 Bend. However they anticipated some renters will have year
 leases.
